

I'M VALERIYA

Dedicated and quick learner with the ability to multitask, goal oriented and passionate about what I do.

Creative and perfectionist, I work well with others. I possess time management and strong dedication for success.

Born in Ukraine and raised in Spain, with the fluent knowledge of 5 different languages, I am looking to apply my skills and ideas at your company.

EXPERIENCE

Front End Developer and UI/UX Designer

The Lion Tiles S.L. (Castellon, Spain)

Mar. 2023 - present

Creation of mockups for new websites using Figma. Developing the mockups using Wordpress so the websites can become workable and responsive. I also work with Photoshop to create images/edit images. Big use of CSS, JS and WooCommerce.

Web Designer and Product Manager

MaxxLuxury (Castellon, Spain)

Jun. 2018 - Feb. 2023

I created the website's design and developed it on Shopify for the website to function. Helped as a product and data manager. Uploaded, managed, exported products from/to the website (e-commerce).
